Virtual Public Workshop
BR 3-925 on S203 Lighthouse Road,
North of Slaughter Beach

The Delaware Department of Transportation (DelDOT) is holding a Virtual Public Workshop to present the proposed improvements to Bridge 3-925 on Lighthouse Road over Irish Canal, just north of Slaughter Beach. The existing bridge has deteriorated and will be replaced with a timber deck on concrete abutments. Construction will be phased so that traffic access will be maintained for the duration of the project. The workshop will go live on March 15, 2010 and comments are due by April 15, 2010. To access the workshop, please go to http://www.deldot.gov/information/projects/lighthouse_bridge/.

You may either fill out the online questionnaire, which will automatically be e-mailed to the Project Manager or mail comments to DelDOT Public Relations, P.O. Box 778, Dover DE 19903. Those who do not have Internet access may call DelDOT at (800) 652-5600 or (302) 760-2080 to learn and ask questions about the project.
